

**INGERSOLL SKATING CLUB**

## Ingersoll Skating Club and Scentsy

Help us raise funds to support Ingersoll Skating Club ("The Club"). A fundraiser will run from October 20, 2018 until December 5, 2018 in order to raise as much money to support The Club.

Typically fundraisers offer 15 – 20% commission back to the organization. However, with my daughter in CanSkate, I'm donating 100% of the commission earned from your orders back to The Club.

### What is Scentsy?

Scentsy is an international leader in home and personal fragrance, offering stylish, innovative and customizable products designed to Warm the Heart, Enliven the Senses and Inspire the Soul.

The Scentsy Diffuser instantly fills the air with world-class fragrant all-natural and essential Scentsy Oils, while Scentsy's flagship product line of scented, wax Scentsy Bars heated in handcrafted warmers provides a safe, personal alternative to traditional candles. Additional product lines include on-the-go fragrances, laundry care, inventive cleaning solutions and luxurious personal care products for women, men and kids — all featuring exclusive Scentsy fragrance.

A wickless candle is a fragrant wax bar that is warmed to release fragrance into the air. Because the wax is gently warmed rather than burned, it can hold more fragrance oil than a traditional candle. And because there is no flame, there is no smoke or soot. Scentsy wickless candles — Scentsy Bars — are a safer alternative to traditional candles.

Scentsy's beautiful warmers house a low-watt light bulb or heating element that slowly melts Scentsy Bar wax, filling your home with one of more than 80 distinctive and long-lasting fragrances.

There are different methods to place your order to support The Club.
